Local bilingual nonprofit **Hands On Tokyo** is holding a Day of Service to raise funds and awareness for their organization, as well as draw attention to the growing volunteer movement here in Japan. The group hopes to give volunteers valuable experience while also giving back to the Tokyo community. There will be approximately 200 volunteers, both Japanese and foreign, who will participate in projects with Second Harvest Food Bank, the Sakuragawa Senior Home, Saiseikai Hospital and the National Center for Child Health and Development. **If you'd like to get involved, contact Yuko Takahashi at ytakahashi.handsontokyo@yahoo.com or call 03-5404-3563 for more info.**
